Dear Madam:

Mr. Shellback, of the Museum of the American Indian, said that you had some coins which you wished to sell. If you care to send these on to us, we would be pleased to look them over and tell you what we could give you for them. If you do not care to send them to us, Mr. Claude R. Collier, a collector in your town, might be able to advise you. His address is 159 Conklin Avenue.

Very truly yours,

Curator
